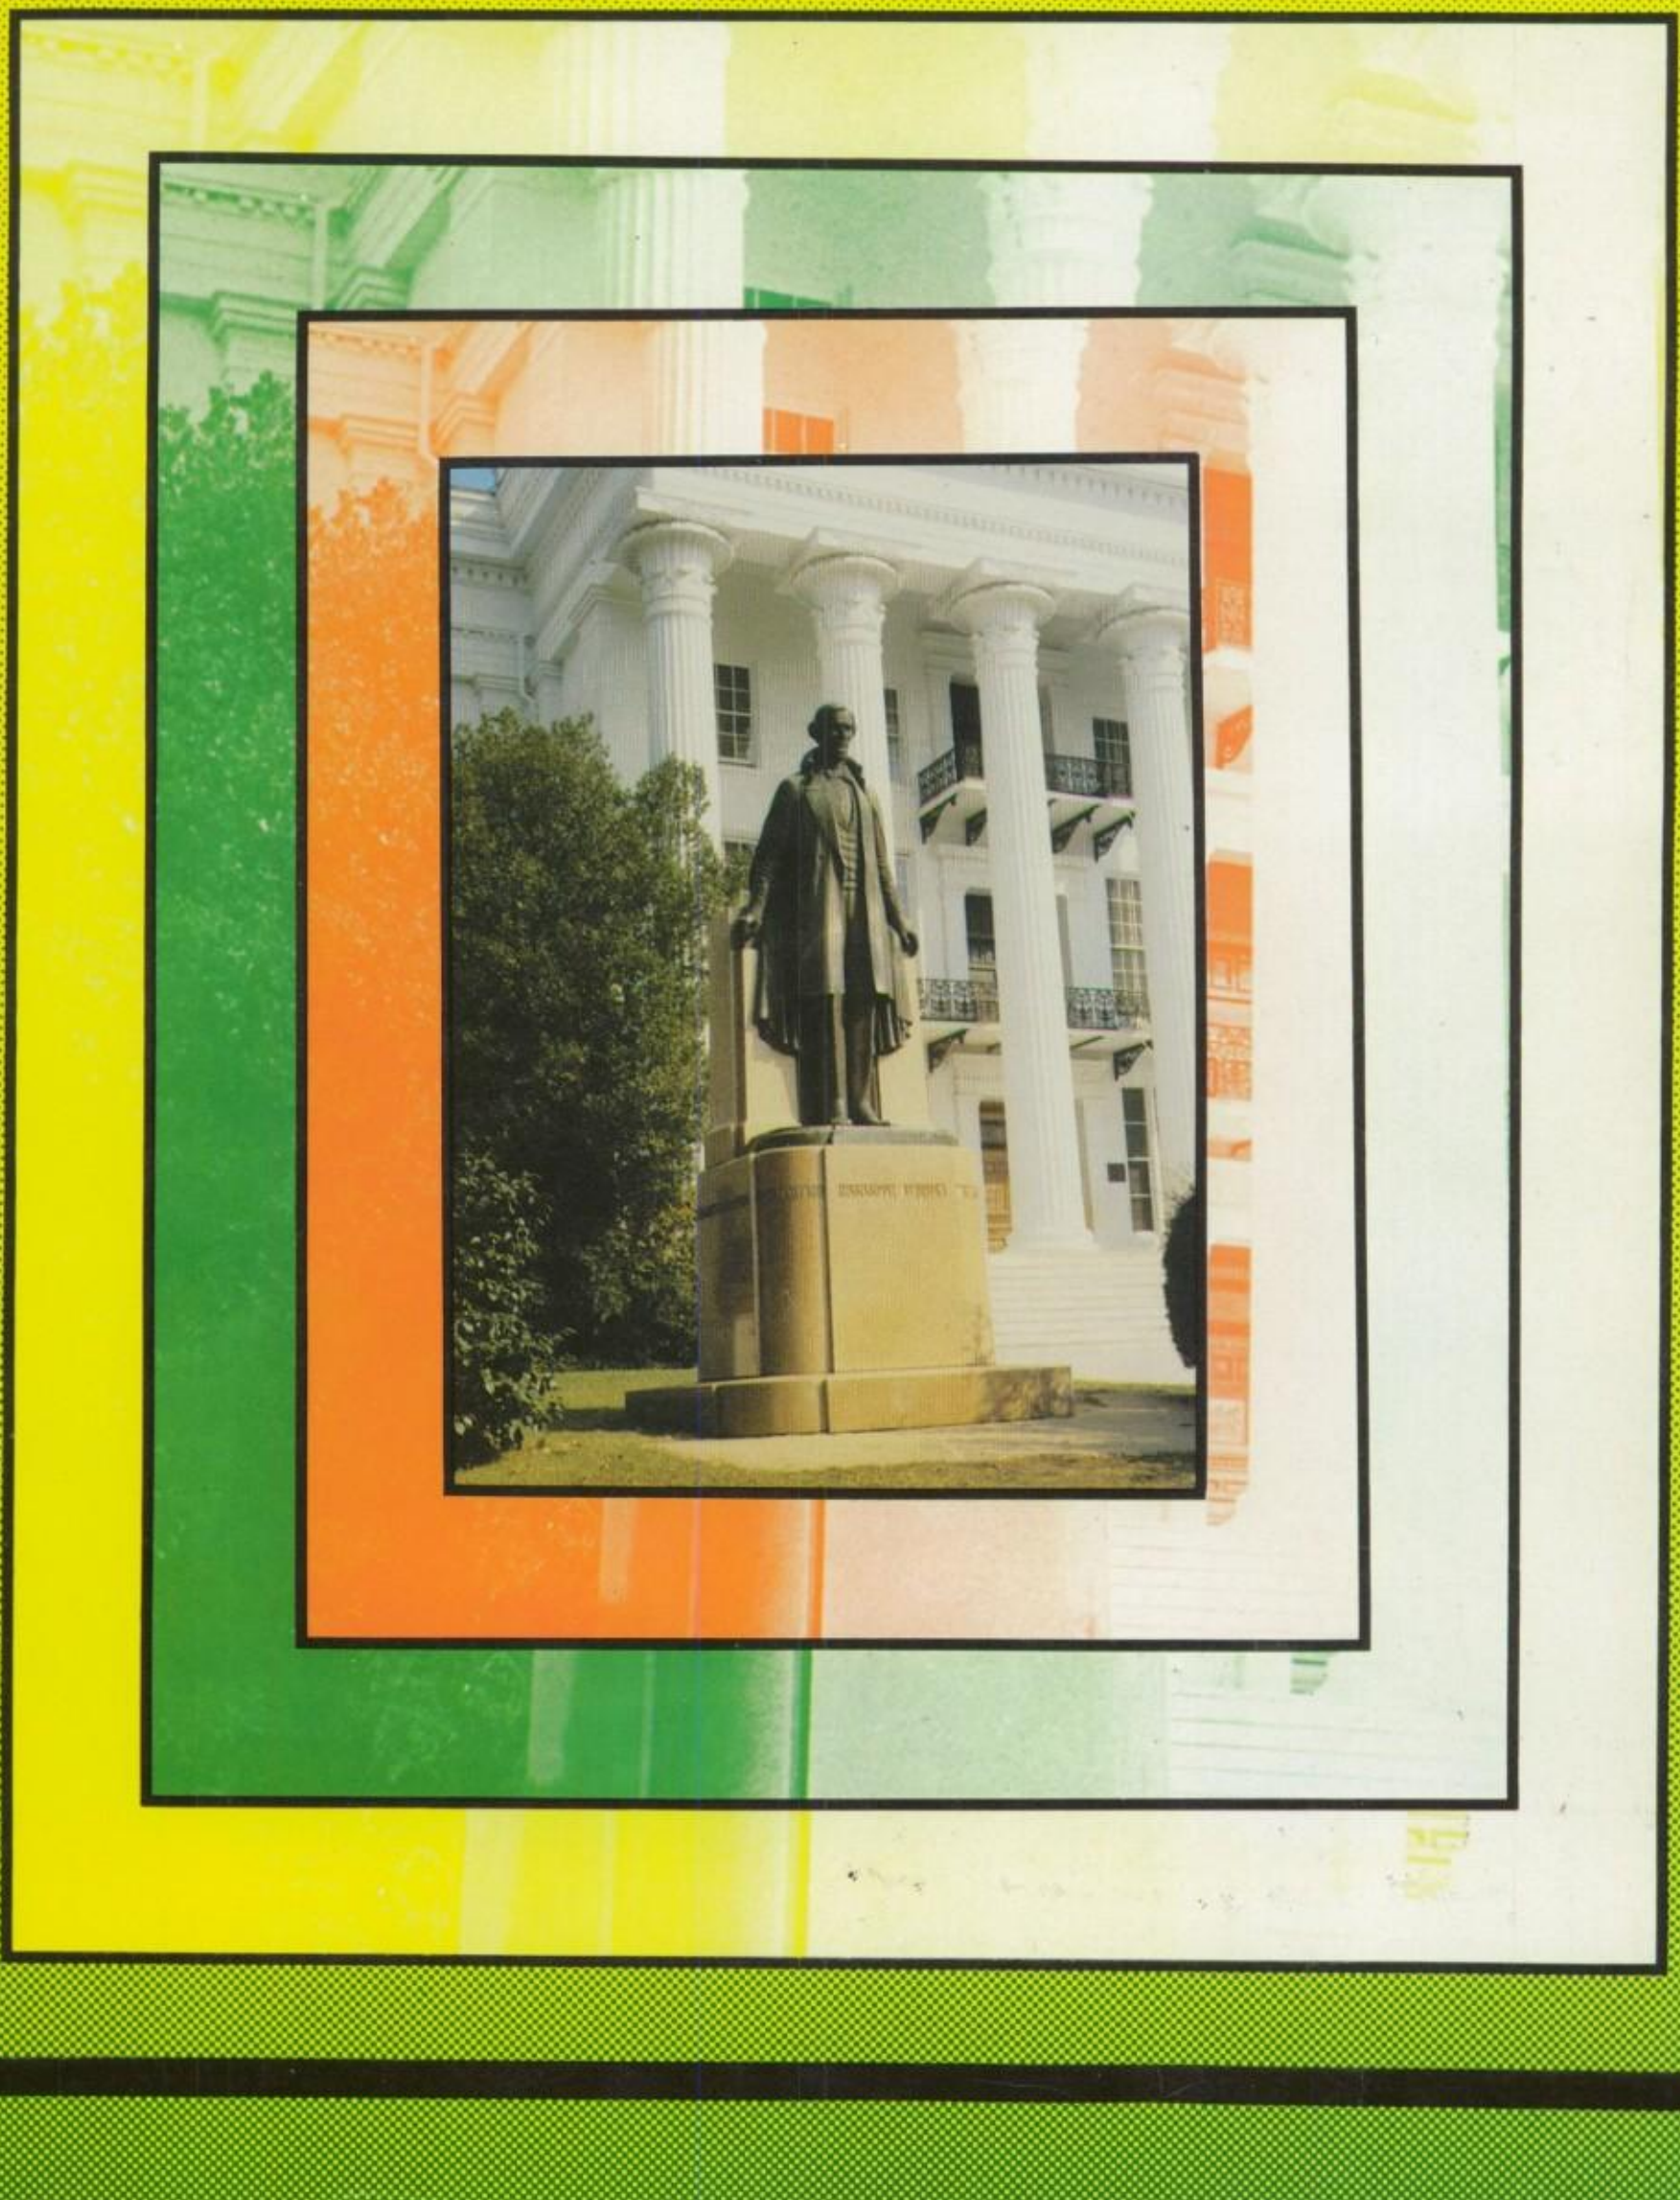
The 1979 CAVALIER
Jefferson Davis High School
Montgomery, Alabama

Editors: JoAnn Campbell & Karen Stallings



A decade has come and gone, but it seems like only yesterday that you and I were just beginning our education and future. Ten years ago we were just starting elementary school. Some of us may have attended Dannelly, right across the street, and may have seen Jeff Davis being built. Did you ever think that one day you may be attending that school? We just wanted to pass first grade then. Now we are shooting for our high school diploma.

We found happiness in our school activities. We also find that happiness today. Wherever we go from here, there will be that same happiness, for we will develop the joys we experienced in our elementary school days and in our high school days, and use them to enrich our lives.

May I have your attention for the announcements please.

The 1979 Cavalier Staff is proud to dedicate this yearbook to two very deserving ladies. These two ladies are Mrs. Carol Lockett and Mrs. Sue Bear. As yearbook advisors, they spend a lot of their own free time doing odds and ends for the yearbook.

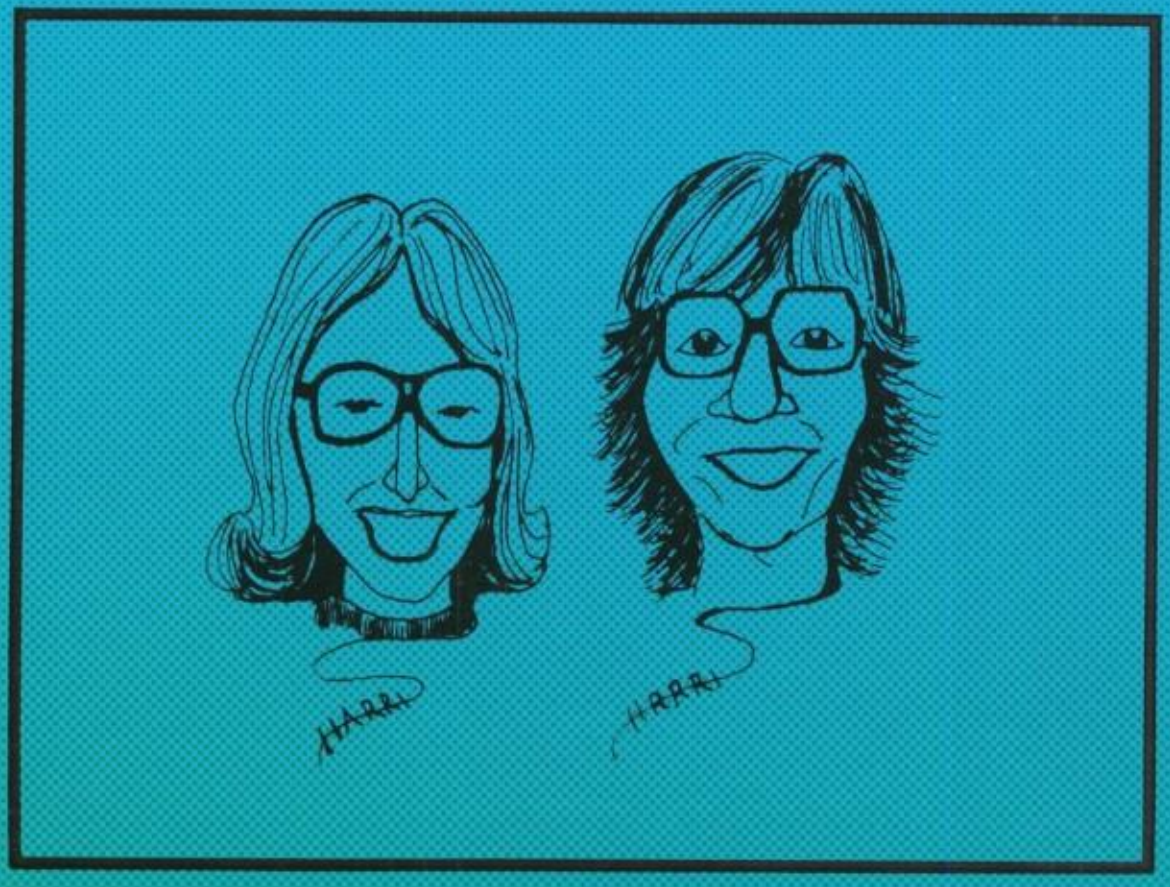
Not only does Mrs. Lockett teach Biology, but she is a fantastic photographer and artist. In her spare time, she enjoys working with arts and crafts, and playing with her daughter, Robin. She is very instrumental in helping the Sophomores feel right at home as a sophomore advisor also. We really appreciate your time, your effort, your love, and so much more . . . Thank you, Mrs. Lockett.

Today's Lesson: The Birds and The Bees.

DEDICATION

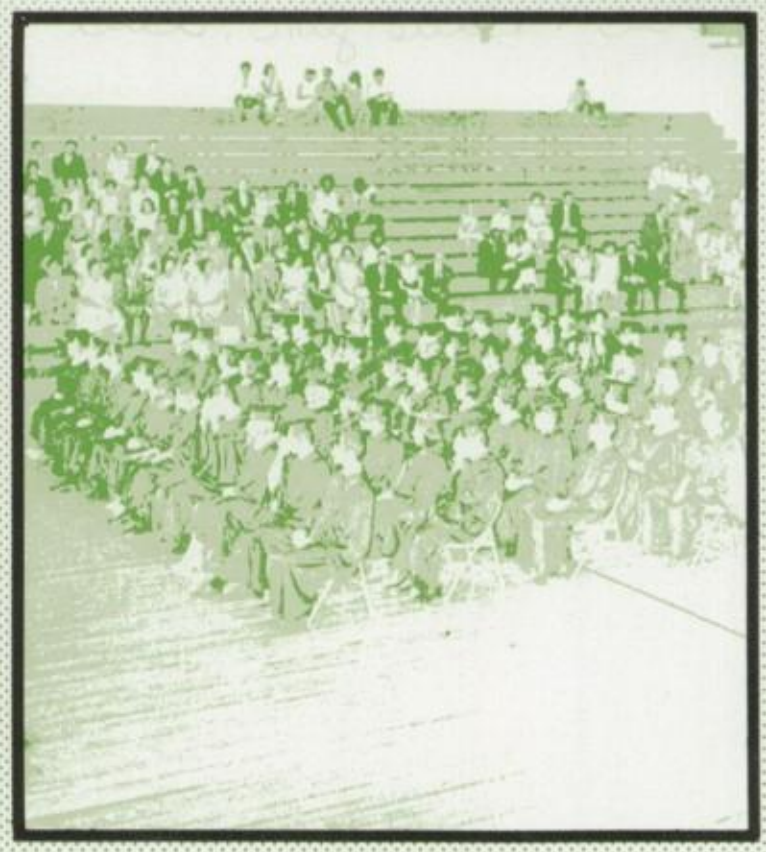
Y-Y-Yes!

Mrs. Locken



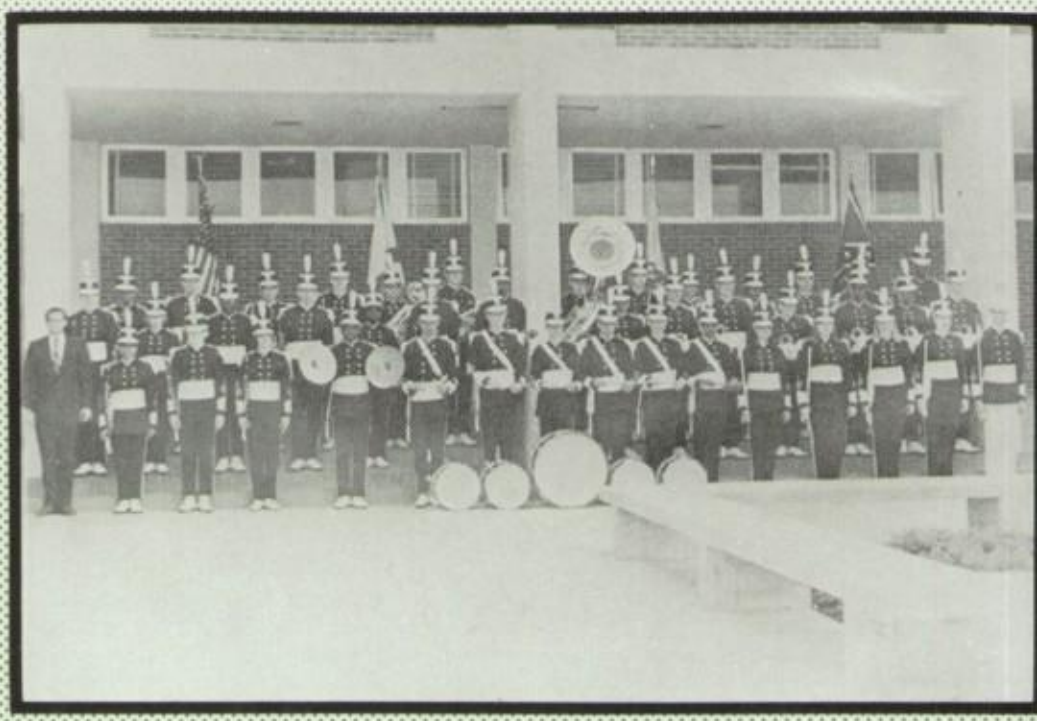
Our very own Activities Director, Mrs. Sue Bear. (We sure pulled one over on you two.) Being Activites Director of any school is a tough job, but at JD it's even harder. But Mrs. Bear manages to do her job well. She is behind all of the school clubs, and involved with the student council and their activities. But her favorite job is helping put out the school yearbook, the Cavalier. In her spare time, Mrs. Bear enjoys riding and showing her horse. We thank you for just being you, Mrs. Bear. Keep up the good work both of you. We love ya, and always will.

Albert Brewer, our proud governor.



J.D.'s first; Class of 1969!

The Candymen was the first band to perform for J.D. Day.



The first "Sound of Jefferson Davis".

JD Then...

Did you hear that there's going to be a new high school opening here called JEFFERSON DAVIS HIGH SCHOOL!? That was the conversation going around Montgomery as all the high school students were worried about leaving their buddies and being transfered to a new school. As things got underway there were 600 students enrolled at Jeff Davis with 33 teachers. The first principal was Mr. Jack Rutland. The first Jeff Davis band, with 60 members, was indeed fantastic. They received lots of news coverage and recognition from the Montgomery Advertiser. They received many awards, with two ratings of "excellent" and one "good" rating in state competition. Not only did the band prove to be Number One, so did Miss Carol Crowgey, a member of the first graduating class, who was crowned Alabama Junior Miss 1968!

Dear,
I've enjoyed having two creative periods with you this year.
I hope your marriage works out and you have happy life I
think you a real sweet person and good luck in the future
Love Scott '79'

Jeff Davis held it's first J.D. Day with Melanie Fomby reigning as the first J.D. Day queen. The dance was a big success, with music provided by The Candymen. In all this excitement of the new school, Albert Brewer became governor in 1969, taking on all the responsibilities and decision-making of a governor. The first graduating class of Jeff Davis to wear the green robes was the Class of 1969; with a total of 67 graduates. The first year of Jefferson Davis proved to be very successful!

Students enjoyed the J.D. Day dance!

Jeff Davis, 1969!

Ten years have past, and Jeff Davis has changed in many ways with an enrollment of 2450 students and 117 teachers. Mr. Thomas Head is the principal. Since 1968, Jeff Davis has added a girls' gym and two new buildings, the recent one added last year. There was also an addition to the lunchroom, a new guidance office and parking lot added to the school. Jeff Davis celebrated its first Homecoming with Christy Burley reigning as the school's first Homecoming Queen. Friday, October 13, 1978 turned out to be a very lucky day, for it was enjoyed by all Jeff Davis students. Alabama inaugurated a new governor in 1979, Fob James, who probably never dreamed, ten years ago, that he would be a governor. Throughout all ten years, there's something that hasn't changed, and that's the good old Volunteer Spirit!

JD is blessed with a student body that is very talented. Behind all this talent, there is hard work and dedication. Hard work and dedication are evident in all of JD's activities, from the school play to the dances and other "good times" we've had throughout this year.

JD's Faculty tops them all!

This is the year of the Volunteer. JD always excels in sports, not only in football, but basketball, tennis, golf, and so many more.

JD also has a group of students who work all summer — the Jefferson Davis Marching Band. Under the direction of Mr. Hammett, the band performs some exciting halftime shows. The Flag Corp, the JaDettes, and the Majorettes add a touch of class and beauty to the band.

All students, clubs, and faculty that are presented help make JD Number One. But most of all, our student body, fans, and supporters make JD the Number One high school in the state!

"If I had my life to live over again, I'd try to make more mistakes next time. I would relax. I would limber up. I would be sillier than I have been this trip. I know of very few things I would take seriously. I would take more trips. I would climb more mountains, swim more rivers, and watch more sunsets.

I would do more walking ... and looking. I would eat more ice cream and less beans. I would have more actual troubles and fewer imaginary ones. You see, I am one of those people who lives sensibly and sanely hour after hour, day after day. Oh, I've had my moments, and if I had it to do over again, I'd have more of them.

In fact, I'd try to have nothing else. Just moments, one after another, instead of living so many years ahead each day. I have been one of those people who never goes anywhere without a thermometer, a hot water bottle, a gargle, a raincoat, aspirin, and a parachute. If I had it to do over again, I would go places, do things, and travel lighter than I have.

If I had my life to live over, I would start going barefooted earlier in the spring, and stay that way later in the fall. I would play hooky more; I would ride on more merry-go-rounds.

I'd pick more daisies.

Kaleidoscope was the theme o
our first JD Day. At the assem
bly, Jenny McLemore sang a
song that she had written espe
cially for this occasion.

Queen Stephanie Clark, Soph
omore Attendant Christy Bur
ley, and Sophomore Honor
Court Members Angie Wilkes
and Jean McCree were pre
sented. That afternoon, we al
piled on our float as Martians
and rode in the parade.

At the game against Opelika
that night, sophomore Amy
Brantley sang the National
Anthem, and the Mighty Vols
walked over the Bulldogs with
a score of 35-17. The following
evening King Tut and the Un-
touchables entertained at the
JD Day Dance.

After all the festivities, we felt
a little bit more at home. We
had settled in to the routine of
talking to our friends before
school, either in the gym lobby
or outside. By getting to know
each other better, we were able
to defend ourselves better at
pep rallies when we were told
to "Hang it Up".

We developed a sense of pride in ourselves as a class and as a student body. The words "Jefferson Davis" held a special meaning then, as they do now. Of course, we all know Jeff Davis represents a man as well as a school. On Tuesday, October 17, 1978 the former President of the Confederacy was rein-

stated as a United States citizen. The Associated Press reports, "President Carter restored citizenship rights posthumously to Confederate President Jefferson Davis and declared that post-Civil War reconciliation is finally complete. 'He had served the Unit-

ed States long and honorably as a soldier, member of the U.S. House and Senate, and as Secretary of War,' Carter recalled. 'General Robert E. Lee's citizenship was restored in 1976. It is fitting that Jeffer-

son Davis should no longer be singled out for punishment'." JD has a great tradition in history — the same is true in sports. When the Class of '79 was in its sophomore year, athletics was as strong as ever.

Well, we had a whole summer to recuperate from that confusing but exciting sophomore year. But we all fell right back in school when August 28, 1977 came came around. As Juniors we had much ahead which had to be done.

To guide us through that year we elected capable leaders from our fellow classmates.

Our President was Mark Forester, who spent many hours planning ways to raise money for the Junior Senior Prom. His group of devout helpers included JoAnn Campbell as Vice President, Laura Patrick as Secretary, Cheryl Bell and Susan Wells as members-at-large.

Alesia A.

With these exceptional leaders and Mrs. Moore and Mrs. Cannon as our advisors nothing could beat us.

We also gave our full support to the Student Council, having Derek Shook as First Vice-President and Ella Parks as Second Vice-President.

Even in the Student Council section representatives we showed our strength with Debbie Hinton, President and Kim Fulmer as Secretary.

Throughout all the clubs and organizations our fellow Juniors held responsible and effective positions.

During that exciting year we made sure some of our beauties were in the spotlight. At the last J.D. Day the lovely Ella Parks was elected Junior Attendant. The Junior Honor Court consist of Debbie Ramey and Angie Wilkes. Miss Christy Burley was one of the top beauties in the school. Also our men were spotlighted with Wes Cook and Curtis Gipson among the most handsome guys.

Everytime you look at that three story addition, better known as "North Side High", you will remember what we went through to get it. It is not easy to forget the confusing situation caused by the construction. Probably the most remembered and controversial problem would be the parking situation. Some of the strangest parking lots were formed all around the school.

Also remember the announcements interrupting class all during the day asking cars to be moved. You never knew where your car would be when you came out to the parking lot to leave.

Some other by-products of the construction were the hikes to school from wherever you found to park.

Also the mud clogged walks to get into the building and the loud jackhammers during an Algebra tests will not be forgotten.

During our Junior year we were kept on our feet cheering for all our sports. The football team kept up the great tradition of rolling through the year winning all their games, including the big crosstown rivalries. Our football team made it all the way into the state playoffs.

Our Junior year was the year of the girls sports. Our Jeff Davis girls seniors, juniors, and sophomores went into state competition. That was the year when our girls basketball team won the state championship. Also the girls volleyball team did very well.

float came in third place. That night at the game the JD Day Court was presented. Also there was the last JD Day Dance with the exciting band King Tut and the Untouchables.

Everyone will remember all the PSAT, ACT, and SAT tests we took on those early Saturday mornings.

Then came the holiday season with Thanksgiving, Christmas and New Years to prepare us for the long months ahead.

As we all know the fun must slow down, if not stop, when exams begin. We had to buckle down and do some serious studying because as we all know, to be seniors, we first had to pass our Junior exams.

To raise money for the prom the Junior Class took on the money-making job of selling candy throughout the school.

With this and other projects we hoped to make enough money to sponsor a great prom. When the prom was given all the hard work and dedication showed.

All the hard work of our Junior year came to an end with those long, hard final exams. For those of us who passed them all it was time for celebration and summertime. Sun and fun were here for the summer.

Before we knew it the summer of 78 is over and it is here, our Senior Year! We are the class of 1979, with all our high hopes and unsure plans. We are the ones at the top, the cool Seniors, that all the little Sophomores and Juniors look up to.

We have been through it all from wild weekends to long hard studying. We have done it all and are now experienced in everything (or so we act). We have earned the right to walk the halls slowly to class. We know every excuse in the book and have used them twice. Also by our Senior year we have learned what doors to use to get out when we skip. Its our turn to laugh at all the sophomores and their silly romances because we too have been through a couple.

from Mr. Hayes to some exciting speakers in Mrs. Shanks class. It was a struggle in some of the math classes. You never understand why you took Algebra 3 when you barely passed Algebra 2. Macbeth, poor old Macbeth had such a time as King. He and other great Englishmen were the major part of our English discussions. Remember those science and social studies projects you built the weekend before the fairs. A few of us got out early to go to work. All these classes and more made up our Senior Year.

But when all the fun and school comes to an end, what then? After we graduate we will all go different ways. We will have new expieriences and will meet new people. We will be the next leaders in our society. We will set new goals to conquer for the future.

We have all made close friends at Jeff Davis, friends that although we may not see again will always be remembered in our thoughts. We have been together for a time that will never be forgotten. And we have been through alot together and will always cherish the good as well as the bad.

Although we are unsure what is in the future for us, we hope that all of you will always remember our years at Jeff Davis. God bless you and good luck.

Looks like we've made it! We've finally reached a high goal in our lives as Super Seniors. We now know a little of what life's all about. But as we march on through graduation, we'll learn even more. After we take that final step, we'll be faced with many decisions, whether or not to attend college or to work. We'll also have to take on many responsibilities, being on our own and out in the world. But we can truely say that we'll never forget our three years spent at Jeff Davis as we've taken part in three City Championships and 4A titles. We also had a girls State Basketball Championship, and a Golf Championship.

The Class of 1979 is something special because we are the tenth graduating class of Jeff Davis and the first graduating class to celebrate Jeff Davis's first homecoming, this proves that "Nothing like us will ever be" The Class of 1979.

And Keith is oh, so funny.

Just what can we say about 'em?
Joes and Bonnies are very few —
We need a lot more just like 'em?

Pam is always cheerful;

Since these two are always happy.

SOPHOMORES — CLASS OF '81

The 1978-1979 sophomore class goes down in history as being a standard sophomore class. They made the same mistakes and had the same endeavors as the ten classes preceeding them. But, this year's class had more students than ever before and had to deal with the ensuing problems of being lost. The sophomores always find their way around remarkably fast and become involved in . . .

STUDENT LIFE

J.D. Welcomes Homecoming

Friday, the 13th was far from unlucky at J.D. The day started off with the assembly and pep rally being held 1st and 2nd periods, instead of the regularly scheduled time at 7:55.

There was a colorful slide show presenting different aspects of a Volunteer's life at school. Then the Drama Club gave everyone a hint of its acting abilities. Also the Davisinians once again thrilled us with their songs. To start off the show, the National Anthem was sung by the talented Amy Brantley, and the Alma Mater by John Wilborn, both members of the Davisinians. After the entertainment, the most exciting moment of the assembly arrived — the announcement of the Queen and her Court.

Among the winners of the door contest were Mrs. Price in room 13, best overall; Mrs. Jones in room 201, 1st in subject matter followed by Mrs. Livings in room 213 and Mrs. Wiswall in room 226. Winner for the Homecoming theme — "End of The First Ten ... Continuing a Great Trend," was Mr. Warren in room 112. First place for illustration of the game was Mrs. Wakefield in room 17 and second place, Mrs. Thompson in room 26.

The past, the future.

THE FESTIVITIES MOVE ON

Jeff Davis' first Homecoming was a two-day celebration. Although, to many superstitious students, Friday 13th is labeled as a bad luck day, it was a good day for the Volunteers. Under temporarily cloudy skies, the clubs and classes eagerly worked on their floats to be presented before judges in the parade. The winning floats were first place — Junior Class, second place — Sophomore Class, and third place — Drama Club. The Davisinians were honored with first place in the Car — small truck category. In the walking division, the Biology Club won first place.

Saturday night, "Emerald" provided the music for a memorable evening. Here the Homecoming Court was presented once again. It was an evening that all that attended will never forget.

CHRISTY BURLEY

Ella Parks

"I was really honored. It was such a big thrill to hold that title and represent J.D. Being my first and last homecoming, it is an event that I know I will long remember.7"

Cyndie Boehme
Senior Attendant

"I was really honored to hold the title of Senior Attendent. I was also very happy and surprised."

Pam Williams
Junior Attendant

"As Mr. Head announced the court I felt so nervous and so scared. When he called out my name, I said to myself, My fellow classmates made this possible for me and I love everyone of them. I feel it is a great honor and I would like to thank those who made it happen. It means so much to me to represent the juniors as the Junior Attendent."

Shannon Camp
Sophomore Attendant

"I was real, real surprised because I didn't expect it. I was real honored to be in J.D.'s very 1st Homecoming court. I was excited and it made me so very happy."

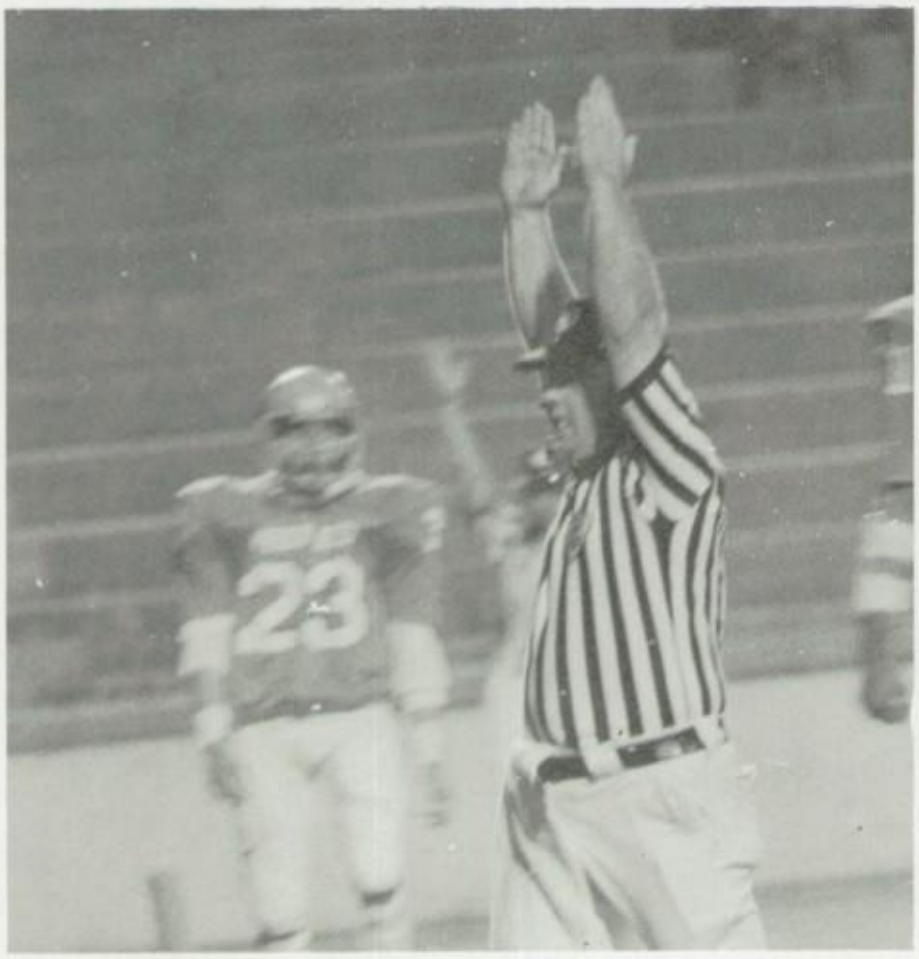
SPORTS

The Year Of The Volunteer . . .

1978 is a year that will be remembered as the Volunteers debut as State 4A football champions. It seems rather fitting that it should finally come about in our tenth year of diligent effort. In recent years the appetite for a state championship has been whetted by playoff losses and control by the big Birmingham teams. J.D. had the powerhouse players, the coaching, the speed . . . but every year something happened. But now, in a year with no super heroes, a year when the entire team and student body united for a common cause, we got . . . The Jeff Davis Revenge.

How sweet it is!



J.D.'s favorite call.

Leigh supports the team in many ways.

What can we say?!

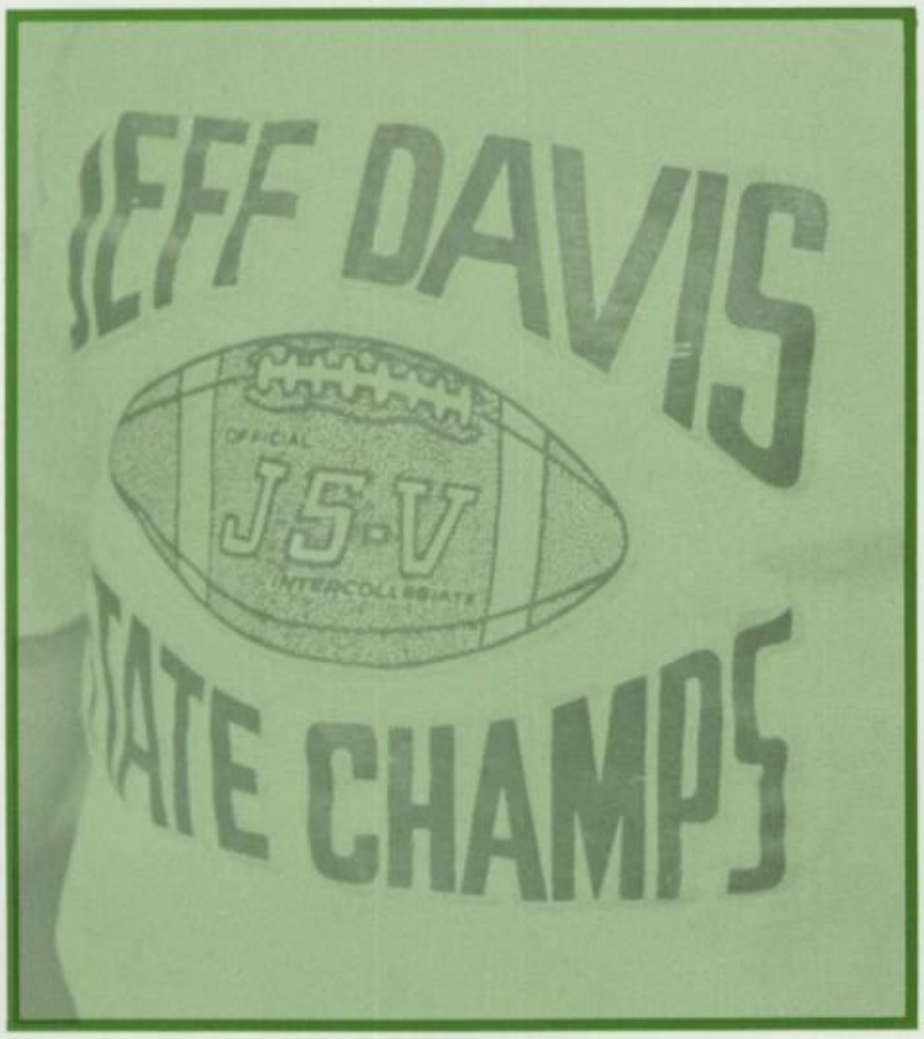
JEFF DAVIS VOLS

4A STATE CHAMPS 1978

The Jeff Davis team this year earned the revenge that had eluded past teams by starting out with a one and zero record and ending with a fourteen and zero record, a perfect season. The championship was not won without it's share of bumps and bruises. The season opening saw Jeff Davis' number one quarterback with his arm in a sling. During the season other injuries were incurred but they were of no consequence: the team was so well balanced and so consistent that nothing could stop their bid for first place.

Ours — at last.

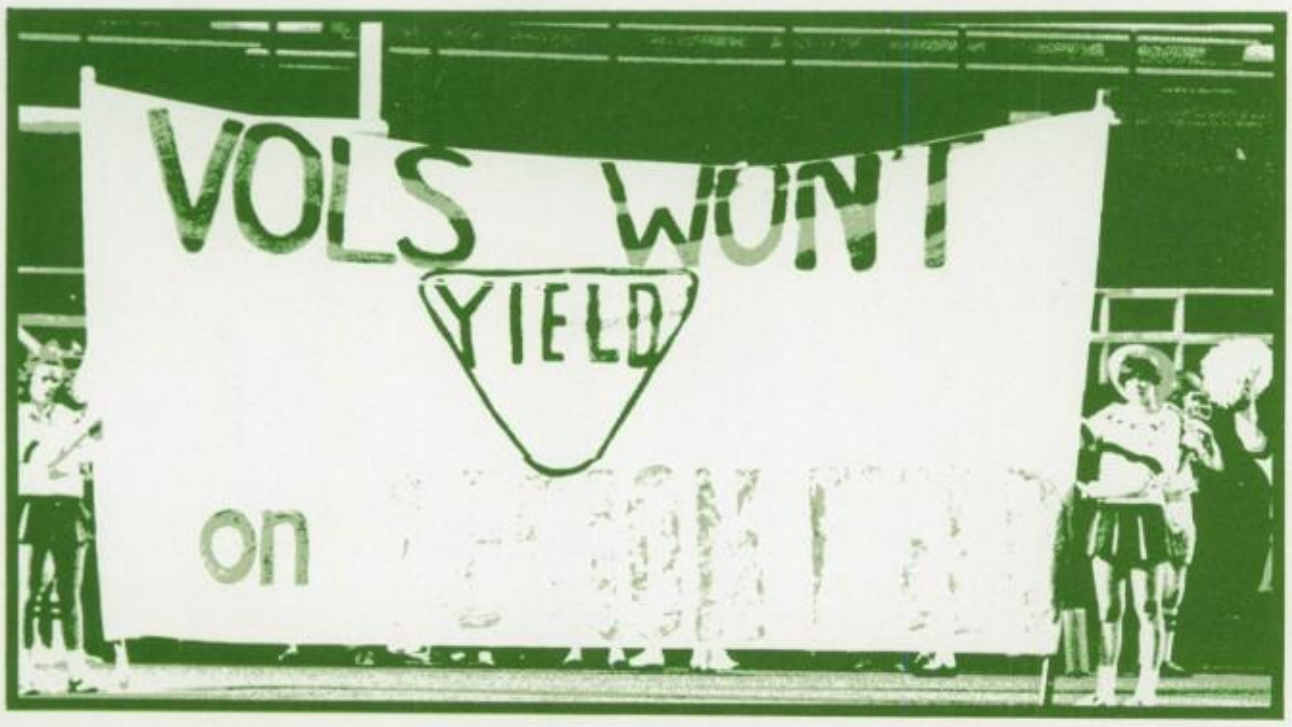


Wear it PROUD J.D.

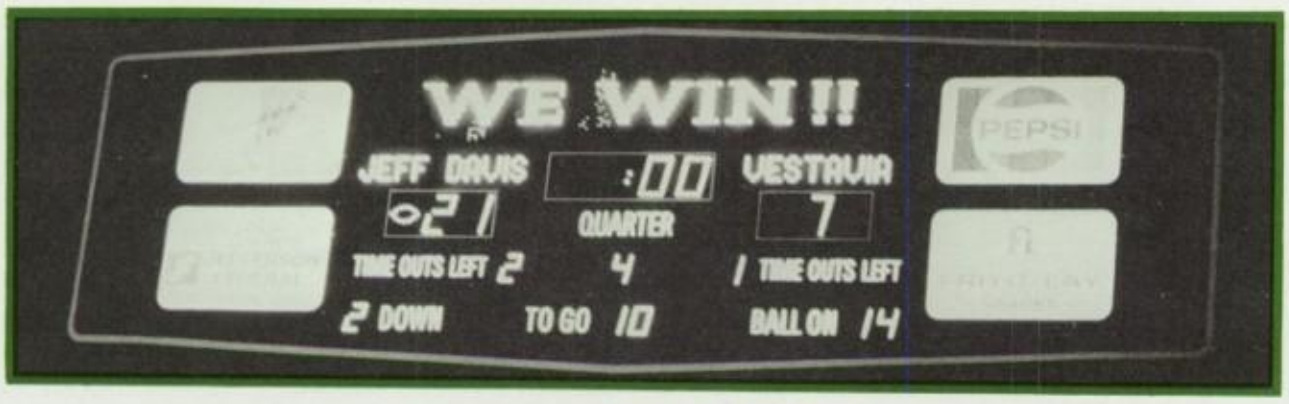
Yeah, we did it!!

Ken agrees with the polls.

1 Says It All . . .



Vols didn't yield on Legion Field.



Vestavia . . . outa time and outa luck.

A deserving coach finally gets his due.

In the pages that follow Jeff Davis' superiority will shine through as never before. The Vols rolled over opponent after opponent, rarely having a deficit in any game.

Finally our coaches have their reward and the team has it's reward. From this time forward, whenever high school 4A football is discussed in the state of Alabama, the year of the Jeff Davis Volunteers 14-0 season will be remembered.

Famous missed (?) field goal.

J.D. CARVES CARVER

Summer vacation seemed to have come to an abrupt halt on the eve of August 25th. As the JD band struck up the Fight Song, the Almighty Vols entered the stadium to meet the Carver Wolverines. This game was to be the first of many merciless slaughters. This game was characterized by anticipation, high hopes and much dedication.

The contest was on, although the scoreboard remained empty for the first two quarters. There was still a feeling of power and dominance that no other team in the state could possibly possess. The beginning of the third period served as the calm before the storm, as explosive Farris Curry made three spectacular touchdowns, from the seven, nine and four yard lines. These touchdowns followed the initial touchdown of unstoppable Willie May. Ronnie Clark booted three extra points.

JD racked up a total of 274 yards to Carver's 73 and completely dominated the second half. Willie May had a total of 91 yards on 15 carries. Farris Curry had 84 yards on 15 carries.

The Vols defense was led by linebacker Gabriel Thomas, defensive end Anthony Jones, defensive backs Keith Dauphin and Paul Humphries. The defense did not allow a Carver first down in the final two periods. JD had 14 first downs to Carver's 4.

VOLS OUTSHINE MOUNTIES

The Vols jumped out to an early lead in the first quarter after the Mountie punter was tackled at his 32. Vol back Willie May toted the pigskin four times to the nine where fullback Farris Curry ran for eight then muscled his way in from the one for the first score of the game. Ronnie Clark's extra point made the score 7-0.

With 34 seconds left in the first quarter it was May's turn to score as he sprinted 62 yards of his total 124 for the evening. At halftime JD led 13-0. The Vols turned two early third quarter breaks into scores and wouldn't stop rolling as they trounced Shades Valley.

Quarterback Gary Clark threw on a first down play to his big tightend Simmons but the ball was batted in the air and an alert Willie May gathered it in and scrampled 18 yards for the score. This score came only seconds after JD's Duck Williams recovered a dropped punt at the Shades Valley 18 yard line. If that wasn't the straw that broke the camel's back, Larry Addison's 74 yard punt return did. Addison took the punt at the Vols 26 yard line and dashed down the left sidelines behind a great wall.

With Ronnie Clark booting both extra points JD led 27-0 with 5:56 in the third quarter. The Vols added two more scores before the game was over. The first came with 9:22 remaining in the fourth quarter on a one yard run by Curtis Gipson. The Vols covered 48 yards in seven plays ignited by a 25 yard dash and a Clark to Williams pass of 14 yards. Ronnie Clark's PAT made it 34-6. The final score came with 1:02 left on a 22 yard gallop by Lawrence McCoo. That drive covered 49 yards with McCoo, Bert Thomas and David Wilbanks carring the ball behind quarterback Brian Spear. The final score was 40-6.

VOLS DUMP DOTHAN AND TUSKEGEE

After only two games, the Jeff Davis Vols had developed a reputation of dominance which they once again proved by a 28-0 shut out against the Dothan Tigers. The initial score came as a result of a 92 yard offensive drive which was capitalized by Farris Curry who sprinted 5 yards for a JD touchdown.

The Vols did not see a double figure score until quarterback Scott Villar completed touchdown passes to Malcolm Simmons and Duck Williams. The final score came when Curtis Gipson jogged in from the 2 yard line. Ronnie Clark booted four extra points for the Vols.

The Vols malled the Tuskegee Tigers as they trampled to a 47-12 victory. Curtis Gipson, making his starting debut following an ankle injury, led the Vols bid to devastate the Tigers.

The score board started to fill up as running back Willie May scored from the one and twenty seven yard lines. Fullback Farris Curry ran 5 yards for a TD. Fullback Lawrence McCoo scampered 4 yards for a TD and running back Curtis Gipson plunged 1 yard for a score. The final scores by David Wilbanks and Gary Clark came after only seven minutes into the third quarter.

VOLS SHUT OUT LEE OF HUNTSVILLE

The Volunteers shut out the Lee of Huntsville Generals 26-0. The Volunteers rolled over the Generals easily once the game got underway, JD rushed for 335 yards and passed for 72 yards. Jeff Davis' first touchdown came after Anthony Jones recovered a Lee fumble at the 35 yard line of the Generals. Three plays later Curtis Gipson scored on a 31 yard burst. Ronnie Clark's "Million Dollar Kicking Foot" made the score 7-0. Gipson scored again in the second period from the Lee eight yard line. Clark's kick made the score 14-0.

The third score came with 4:14 remaining in the third quarter when Farris Curry dove over from the two yard line to complete a 44 yard drive which took only three plays. Gipson set up the score with a 41 yard run. A fumbled snap on the PAT following a penalty on the point after prevented the extra point. The awesome Vols scored once more in the fourth quarter which culminated a 68 yard drive. With 10:59 to play quarterback Scott Villar went sailing over the goalline.

JD at this point had upped its record to 5-0.

J.D. SMEARS LANIER

Before a packed crowd at Cramton Bowl, awesome Jeff Davis romped over rival Lanier 37-6. The expected battle between the two undefeated teams never came about as the JD offense rolled at will in the first half and then sat back and watched two back-breaking scores early in the third quarter.

The Vols marched 60 yards to the Lanier 20 to start the game, but had to settle for a 37-yard field goal by Ronnie Clark. Two Villar completions to Gipson and Simmons and a Gipson run of 36 yards aided the drive. Lanier's defense had only allowed 3 points going into the game, but at the half, the Poets trailed 23-0.

At 3:21 in the first quarter Villar hit Larry Addison with a 32-yard bomb for the first score. Lanier had s short drive to the Jeff Davis 24 but Vol Chuck McCall came up with a fumble recovery at the 28. The Vols moved to the Poet 36 with Curry, Gipson, and Willie May doing the running. May scampered the rest of the way in for the second TD. Clark's kick made it 16-0. Lanier failed to move and a poor punt put Jeff Davis on the Poet 43 yard line.

For the next score, Villar ran for 24 yards on two runs to drive his team to the 35 where he hit Addison with another bomb. The extra point kicked by Clark made it 23-0. With 7:02 left in the third quarter, Stanley Curry intercepted a Poet pass and ran it all the way back for the score. The extra point was good and the Vols led 30-0. Four plays later Lanier had to punt and May received the boot, broke two tackles, and rambled 56 yards for the score. Clark made it 37-0. Finally in the fourth quarter, Lanier managed to score. On the night, Jeff Davis had 319 total yards to Lanier's 196. Gipson had 88 yards, and Villar with 60 on the ground and throwing for 95.

VOLS OVER POWER ALEX CITY

The Jeff Davis Vols overcame a stubborn Benjamin Russell team 40-6 in Alexander City. The No. 1 ranked Vounteers led only 13-6 at the half but turned a key third quarter break into another win. The Vols had to punt early in the third quarter, but it was dropped and Jeff Davis recovered in Alex City territory. Curry then pranced 27 yards for the score and JD never looked back again. Still in the third quarter, Villar scored from 7 yards out, with Clark's extra point the score was 27-6. In the final period, Stanley Curry's 38-yard interception and a Villar to Addison pass of 37 yards made two more touchdowns and the score was the final, 40-6.

VOLS ROLL OVER BULLDOGS

The Jeff Davis "truck" ran over the Opelika Bulldogs 38-0 in Cramton Bowl, in JD's first Homecoming game. The score at the half was 38-0, the same as when it ended. For the night JD had 312 total yards to Opelika's 110. The substitutes saw action from the third quarter 'til the end. Farris Curry's 1-yard plunge and Ronnie Clark's extra point put the Vols at 7-0 with 6:32 on the board. After that it was no contest for the Vols. Quarterback Villar, Gipson, and back Lawrence McCoo added TD's before the night was over.

VOLS BURY CENTRAL 51-22

The Central Red Devils didn't even light the scoreboard until Jeff Davis had almost burnt it out with an awesome running game which the Vols won, 51-22. At the half, JD led 28-0, then 51-0 until Central scored 3 times in the last eight minutes of the game against the Vol's second string. The main characters were Farris Curry, Curtis Gipson, Willie May, and Scott Villar.

The first half started off with a 1-yard plunge from Curry. The next six points came with a May 7-yard burst. Following that, a 3-yard keeper by Villar added another score and the half ended with Gipson going over from the two. Every time JD had possesion of the ball in the first 2 periods of the game, they scored.

On the Vol's first possession of the third quarter, they scored as Willie May ran from four yards out to culminate a safety making the game 37-0. On Farris Curry's second touchdown he scored from two yards out ending a 35 yard march. Safety Keith Dauphin intercepted and scampered 23 yards for the final touchdown in the fourth quarter. Steve Stearns, Brett Blowers, and Jeff Duckworth led the offensive line which blew Central off the field. Key plays in the game were a 13-yard Villar to James Brown pass, and Stanley Curry interception. On the night, JD had 409 total yards to 60 Central yards.

J.D. STUNS LEE 35-14

On the opening kickoff, Lee's receiver returned the ball 90 yards but was called back because of a clipping penalty. Three plays later, Vol Gabriel Thomas recovered a blocked punt in the endzone to break the Generals' hearts and send Jeff Davis to a 35-14 victory over Lee Generals, a region 4-A title, a city title, and a trip to the playoffs. Only 95 seconds had passed when Clark kicked the first of five extra points to give JD a 7-0 lead. Fullback Curry scored 3 times and rushed for 92 yards and Curtis Gipson had one TD, and on 15 carries had 139 yards. The Vols second touchdown of the evening came when JD drove 80 yards with Gipson going in from 12 yards out. Then Curry darted 4 yards for a score with 11:57 left in the half. That touchdown was set up by a Lee fumble recovered by sophomore Chuck McCall. Then on the first Lee play following the kickoff their running back dropped a pitchout and Vol Anthony Jones was there on the spot to recover it at the General 41-yard line. A Willie May 14-yard spurt set up the next score when Curry ran 15 yards for the tally. Clark made it 28-0. After the kickoff the Vols drove 70 yards for the next TD. It was capped off by a Curry one-yard dive into the endzone. The Generals finally scored on a 37-yard pass; the point after failed. Lee scored again. The pass attempt failed on the conversion and JD led 35-12. Lee threatened again but the strong JD defense held. Lee's final two points came when JD purposely took three procedure penalties moving itself back to the one. A play later, quarterback Gary Clark fell on the ball in the endzone for a General safety. That made the score 35-14, the way it ended.

VOLS SUSPEND WEST END

The playoffs began, the year long rally cry, "We're Number 1," started to take meaning. JD's first opponent was West End, and the field of endeavor was Cramton Bowl. The Volunteers broke a three year playoff slump, crushing West End 31-7. The jinx of losing three straight years to Birmingham teams was ended.

Running backs Curtis Gipson and Willie May combined for 264 yards, each scoring two touchdowns. Gipson and May slashed at the West End defense all night behind a powerful blocking game and JD put the game away late in the third quarter on a Gipson 13 yard touchdown run.

Gipson also had a 27 yard scoring trot in the second quarter. May's TDs came on a 7 yard run, the game's first score, and on a 56 yard gallop in the final quarter.

JD's offensive line show featured guard Brett Blowers, center Steve Stearns and tackle Mark Hodges.

JD's Ronnie Clark added a 28 yard field goal to his four extra points to round out the Volunteers scoring. Perhaps the key moment of the contest came with 2:55 remaining in the third quarter, with JD leading 14-7.

West End had driven from its 8 yard line to the 24, and had a third and one situation. The Lions called a pass play but the pass was deflected incomplete. The Lions decided to go for the first on fourth down, but running back Smiley was met by a JD charge led by Matt Johnson and Gabriel Thomas, stopping him short of the first down. The Vols took over, and Gipson took it in from the 13.

On the evening, while running wild like it has all season JD amassed 423 total yards to West End's 218. Gipson rushed for 142 yards while May rushed for 122 yards. Quarterback Scott Villar hit on seven of ten passes for 111 yards. Meanwhile, punter Malcolm Simmons kept the offense in good position, keeping West End backed up with his foot.

Running down to block

A great defensive effort led by linebacker Chuck Allison along with the running of back Curtis Gipson sparked the Jeff Davis Volunteers to a 14-6 win over Berry in the second round of the state playoffs in Cramton Bowl. The win snaps a two-year 22-game winning streak from the defending 4A champ Bucs. Jeff Davis scored in the second and third quarters on 1-yard runs by Willie May and Farris Curry. The Vol defense, with Allison, linebacker Gabriel Thomas, defensive tackle Ramon Johnson and back Chip Humphries sharing the spotlight, held Berry to 84 total yards. Berry gained just 23 in the second half, snapping the ball 14 times. Star Buccaneer back Brian Blankenship was held to 5 yards on 9 carries. Blankenship had gained 1,400 yards coming into the game. JD had 318 total yards.

JD's Gipson netted 165 yards on 19 carries. All but 32 of that came in the second half, and helped JD hold onto possession. Quarterback Scott Villar had three completions for 83 yards.

After a scoreless first quarter, JD began its first scoring drive with 7:06 in the second quarter. That drive started from the JD 40 and took seven plays. Key plays were a Gipson 16-yard run to the Berry 39, and a Villar to Duck Williams pass of 39 yards to the Buc 3, first and goal. Back Willie May ran it to the one, then took it in from there with 4:08 left in the half. The PAT attempt was good by Ronnie Clark.

Jeff Davis came out in the second half, took the kickoff and drove 40 yards, scoring on Curry's 1-yard plunge with 8:59 left in the quarter. The drive was set up by May's 55-yard kickoff return to the Berry 40. But the big play came when Berry roughed up punter Malcolm Simmons on a fourth and 14 giving the Vols a first down at the 30. May and Gipson alternated carries to the 1, where Curry scored. Clark converted and it was 14-0. JD dominated second-half play.

DEFENSE RISES TO BEAT POETS

It was almost poetjc. But when it ended, Jeff Davis had overcome a talented Lanier defense with a stiff defense of its own to beat the Lanier Poets 14-6 in a thriller at Cramton Bowl before some 20,000 fans. The semifinal playoff win sends Jeff Davis to the finals of the 4A state Championship.

While both defenses were shining, one offensive figure did emerge and that was JD back Willie May. May scored both JD touchdowns. The first came from 1-yard out with 25 seconds left in the first half to give JD a 7-0 lead at halftime.

After Lanier's Ervin Smith booted two field goals in the final half, May clinched the game for JD with a 30-yard scamper at 1:04 in the fourth quarter.

But unlike the first time these two teams met back in September, when JD crushed Lanier 37-6, this one went to down to the wire.

On the night, JD had 249 total yards to Laner's 122. JD's May had 91 yards on 20 carries.

"Catch me if you can."

"We're going to the finals"

VOLS DON'T YIELD IN LEGION FIELD

Jeff Davis powered its way to drives of 84, 80, and 61 yards and whipped Vestavia 21-7 for the 4A State Championship at Legion Field. It was JD's first ever championship and erased unpleasant playoff memories of past years. Like the past 13 victories of the 1978 season, the 14th came on the play of a tight defense with a methodical, running game mixed with key passes.

Quarterback Scott Villar accounted for one touchdown, the game's first, with a 30-yard strike to end Duck Williams late in the first quarter. JD added two fourth quarter scores on Willie May runs of one and 33 yards. Ronnie Clark booted all three extra points.

The Vols had 289 total yards to Vestavia's 135. Vestavia Offense netted only 24 yards rushing against a JD defense led by linebacker Gabriel Thomas, Raymond Johnson and defensive end Anthony Jones. Running back Farris Curry led the Vol runners with 115 yards rushing on 15 carries. Quarterback Villar completed four passes for 50 yards. The Vols has 18 first downs to Vestavia's 11.

RUN FOR HOME

RUNNING AND WINNING!

The 1978-79 Cross Country team carried on the JD winning tradition. The boys' team participated in four meets during the season and showed well in all of them. In the meet against Lanier, Ken Pair finished first, Jeff Vinzant finished second, and Jeff Adams and Mark Plott finished third and fourth respectively. Torrence Williams finished tenth. In the Montgomery Invitational, where 50 participants were entered, Ken Pair ran sixth, Jeff Vinzant tenth, Jeff Adams seventeenth, and Torrence Williams twenty-sixth. The Regional Championship with 69 participants saw Ken Pair come in third, Jeff Vinzant ninth, Jeff Adams twentyseventh, and Mark Plott thirty-seventh. The State Meet over a 3-mile course with 238 runners saw Ken Pair finish twelfth (just 28 seconds off the record) and Jeff Vinzant and Mark Plott finish sixty-ninth and one-hundred-thirty-sixth respectively.

In the girls' division, Laura Patrick finished fifth out of 30 in the Regional Championship with a time of 14:24, just one minute off the winning time! Other girls who ran for JD were Marianne Tidmore, Angie Jackman, Karlin Jones, and Lynn Fossum.

CHEERLEADERS

VARSITY

The Jeff Davis Varsity Squad won a superior ribbon every day in competition at the NCA Cheerleading Clinic held at Auburn University. They also won the highest award, "The Award of Excellence". Dina Winston was chosen as an All American "Shout it Outer" and Kelly McUmber was selected to serve as an NCA instructor.

Cheerleading takes a lot more work and practice than meets the eye, and it doesn't end with basketball. You'll find many cheerleaders cheering at wrestling matches and supporting the track and baseball teams. So, as well as supporting the football, basketball, wrestling, track and baseball teams, support your cheerleaders!

Between September fifth and fourteenth tryouts were held for JD's 1979 Tennis Teams. Enthusiasm was high as 15 tried out for the boys' team and 13 for the girls'. Through a system known as match-play elimination an approximate ranking for the teams was established.

For about a month both teams practice twice a week and play matches against each other. From then until spring they will not have team practices but will practice individually and play challenge matches. The season begins in March and, judging by the strength shown by both teams, they have good chances at regional and state titles.

As the almighty J.D. football team's championship season came to a halt, exotic noises could be detected coming from the gym. What were these noises? Could it possibly be that news of our championship status has reached aliens from outer space???? W-E-L-L-L no! Upon closer examination one could distinctly determine that the noise was that of diligent preparation. Yes, the thumps, smell of scorching nets and the shuffle of weaving bodies announced once again that the season for basketball had arrived.

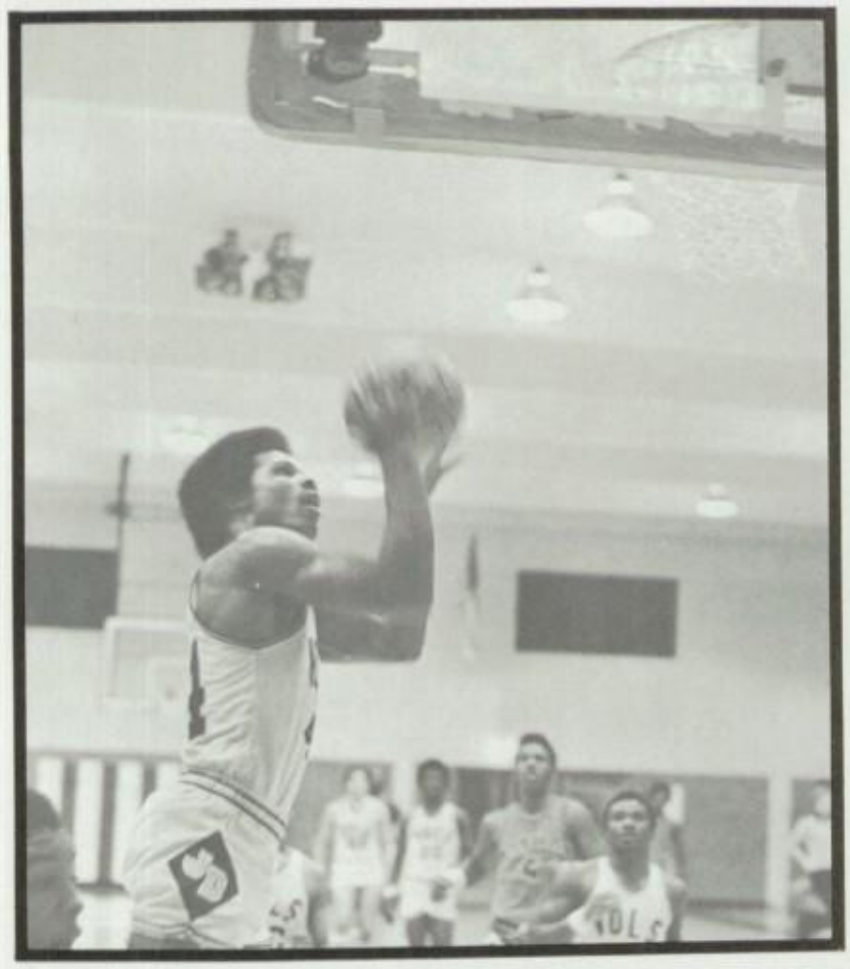
ON THE REBOUND

By the end of the first game, one could clearly see that phase one of the 1977-78 basketball team's rebuilding plan had been successfully completed. This fact became apparent as the 1978-79 team drove to a phenomonal three consecutive victories, thus proving that the Vols were "On the rebound." (The Vols defeated Alex City 73-67, Auburn 66-63 and Opelika 75-60.)

During the weeks that followed, the "HOT" J.D. winning streak came to a screeching halt. No matter how fired-up they were the Vols just couldn't seem to clinch a win. This down fall didn't dampen the Vol spirit nor did it stop them from dropping six consecutive games.

After what seemed to be an infinity of losses, Dothan met the Vols in J.D.'s field house. There the "Vivacious Volunteers," decided to "Get up, Get down, Get funky and Get loose. Once again the Vols overcame their slump. They devastated Dothan, 74-61, hung Hardaway 62-59, lynched the second rated team in the state, Lanier 60-53. This victory shattered the Poets' hopes of achieving a state championship status. The Volunteers went on to annihilate Northview.

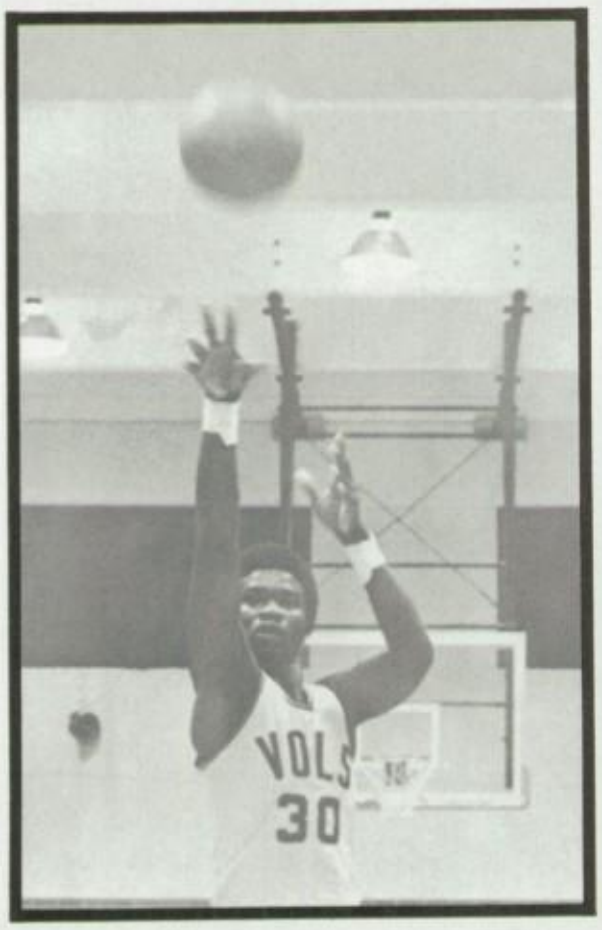
Who would have thought that the T-totally tough Vols would have completely mortified so many awesome contenders?



Senior, Curtis Gipson drives to the hoop for two points, to give the Vols a 74-61 victory over Dothan.

B-Team (l-r) Row 1; Louis Thornton, Al Abernathy, Tom Gwaltney, Herman Cromartie, Kyle Gilreath. Row 2; Coach Abernathy, Wilbur Pickett, Mike Shufford, Mal Sport, Chuck McCall, Steve Hicks, Alonzo McNeal, Ronald White, Edwin Feagin.

Concentration and determination sweeps the face of Chip Humphries as he makes a free-throw to put the Vols ahead in the second quarter.



Mike Haskins out-muscles Lanier's Greg Vinson for the "jump ball".

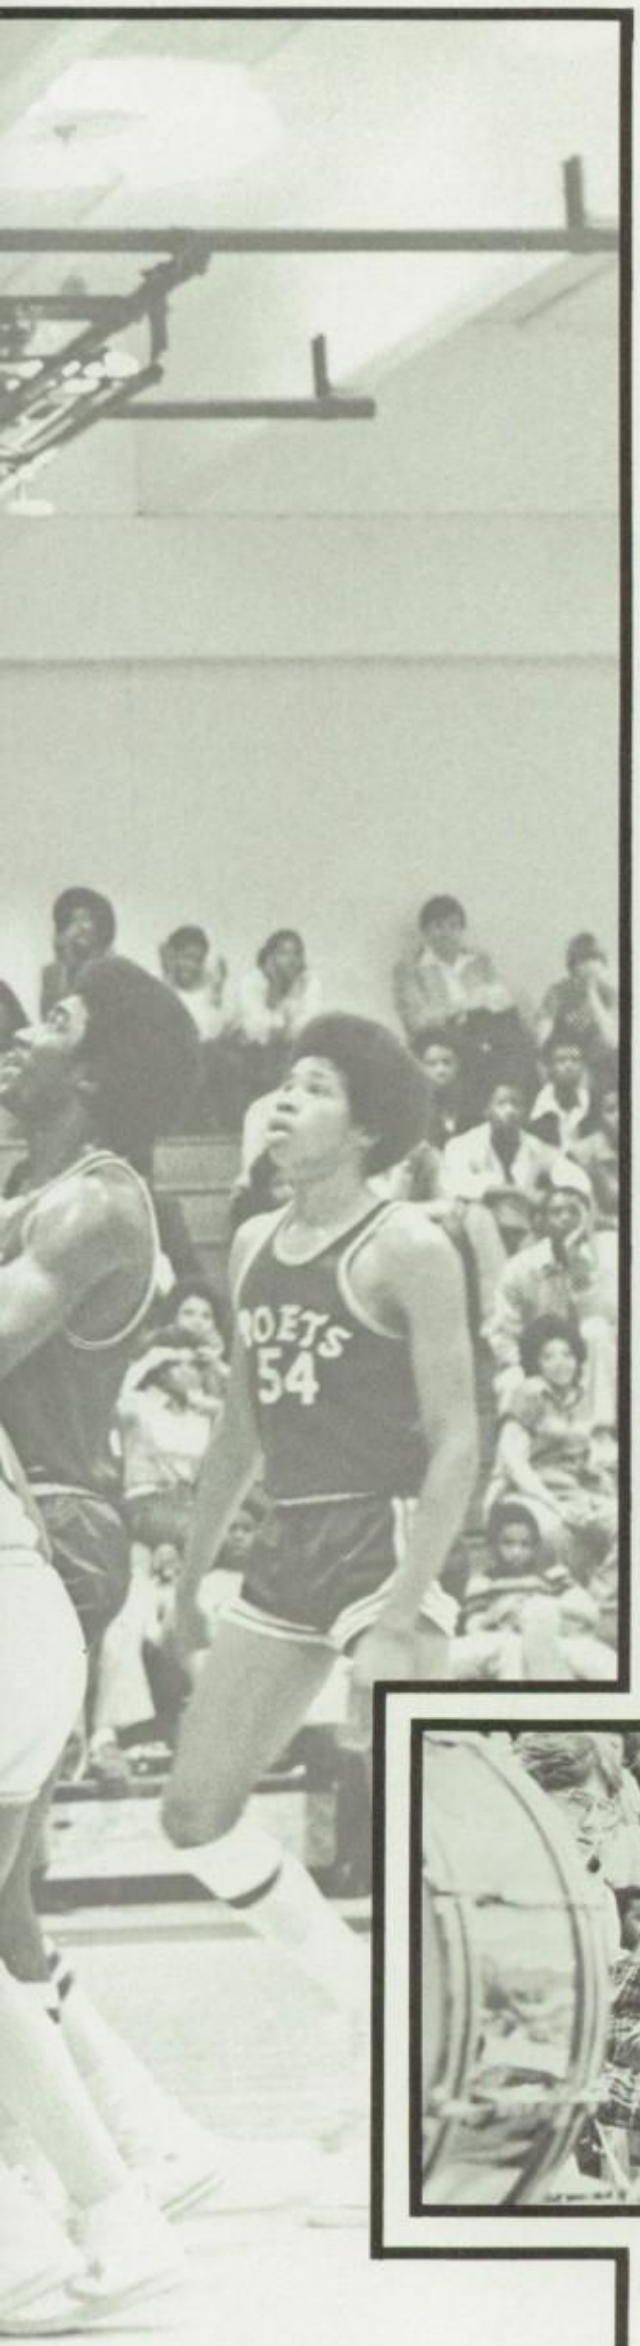
A Word About The Players

The 1978-79 Varsity Basketball Team was comprised of 13 fine athletes. The guards were: John Buskey, Glenn Mitcham, Paul Humphries, Jason Maddox, Curtis Gipson and Mike Ginzell. The centers were: Sammy Gipson and Mike Malcolm Simmons. The forwards were: Mike Howard, Chip Humphries (leading scorer), Mike Haskins (second leading scorer and leading rebounder), Stanley Curry and Steve Beatty.

The Varsity basketball team was characterized by aggressivness, agility, determination and outstanding team work.



Mike Haskins and Mike Howard block out Poet opponents, however the ball sinks in for a Poet score anyway.

Sharp shooting Curtis Gipson takes advantage of a fast break to display his timely precision and his ability to score two points with ease.

Forward, Mike Howard invites Poet opponent to put down his pen and come fly with him as he tips the ball to Vol team mate.

Strike up the drums! At basketball games, snappy drum cadences keep the Vol spectators on their feet.

As Mike Haskins muscles his way pass Dothan to the basketball rack for a lay-up, Malcolm Simmons stands by prepared to become air born if necessary.

Junior, Sandra, Streeter, throws in two points for a win over Eufaula.

Lynn Fossum takes on a tough contender, in her effort to pass the ball.

Marianne Tidmore sinks in two easy points, while the defenders chat!

Feeling the heat from the fire of Eufaula, Lynn Fossum cooks'em down with two points.

Girls Basketball Team (l-r) Row 1; DeDe Hamilton, Lynn Stallings, Marquita Mitchell, Jill Johnson, Mary Day. Row 2; Coach Nix, Marianne Tidmore, Annie Addison, Sandra Streeter, Angie Jackman, Chandy Bozeman, Lynn Fossum.

Lynn Fossum makes a long-jumper look easy as she hits for two points.

TOUGH UNDER FIRE

"Everywhere we went the girls always hustled." This is the famous quotation of Coach Luanne Nix to describe the Jeff Davis girls basketball team. "Everybody is a star", all eleven players contributed to the Jeff Davis success. Each victory was due to the unique team unity and the J.D. trademark. Everybody would call Coach Nix and tell her what a fine game the girls played, and that they were one of the best teams in the state. Other people who hustled, but not on the court are the managers, Wanda White, and Vince Dumas. The scorekeeper, who was kept very busy during all the games is Karen Stallings. The hustling of this team proves that they are "TOUGH UNDER FIRE."

The won-loss record is not impressive but the team is young and building to better things. One of this year's seniors said that next year should be a great one for the Vols and he is sorry he won't be around for it. In the meantime we would like to encourage the wrestlers and commend them on their hard work and stick-to-it determination.

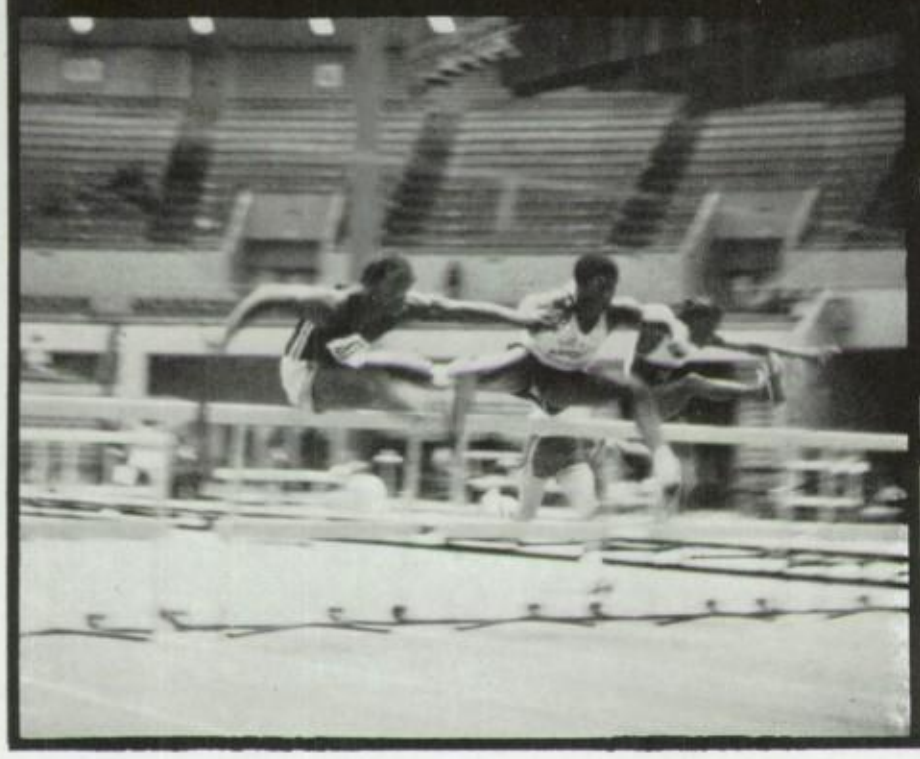
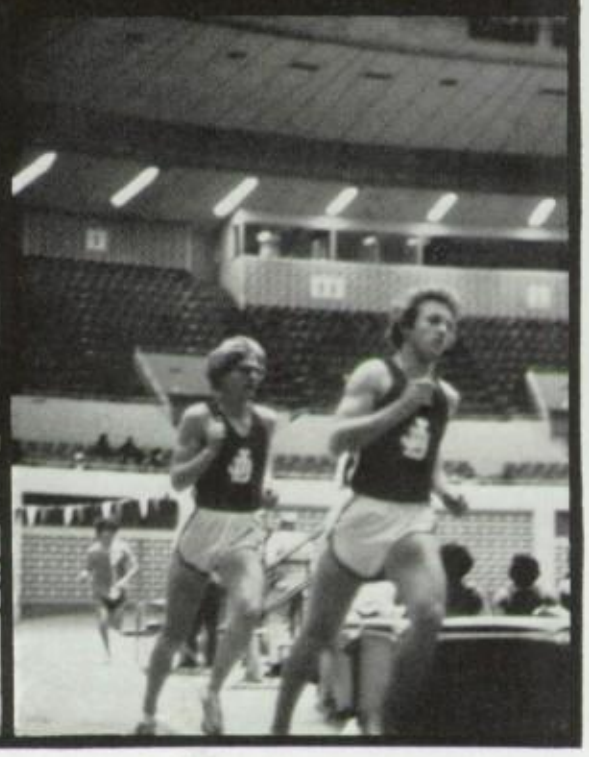
TRACK

They're Off And Running





The 1978 Jeff Davis track team proved that we're "Still the One", as they were off and running towards new heights.

Last year the track team brought it all home. The 1977 team put in countless hours of running and practice in the specialty events. This year, in an effort to maintain their outstanding record, the 1978 track team deemed it necessary to continue to work hard. It all added up to 2,000 (plus) cheers and best wishes, 365 days of running and training, 12 months of determination and 8,760 hours of dedication.

The Vols started the season by capturing a 4th consecutive victory in the Swede Kenall Track Classic. Later, the team finished 2nd in the Capitol City Invitational Track Meet and took 4th in the AHSAA State Outdoor Championships.

Many fine individual performances were recorded at the State Championships. The most outstanding performances were: Frank Chambless, who finished 2nd in the pole vault competition, (presently Frank is enrolled at Auburn University on an athletic scholarship), Ronnie Clark, who turned in a 2nd place bid in the discus competition and Leevester Seawright who captured 2nd place bid in the 440 yard dash, (presently Leevester is enrolled at Troy State University on an athletic scholarship) and Jeff Adams who finished 6th in the state 880 yard dash.

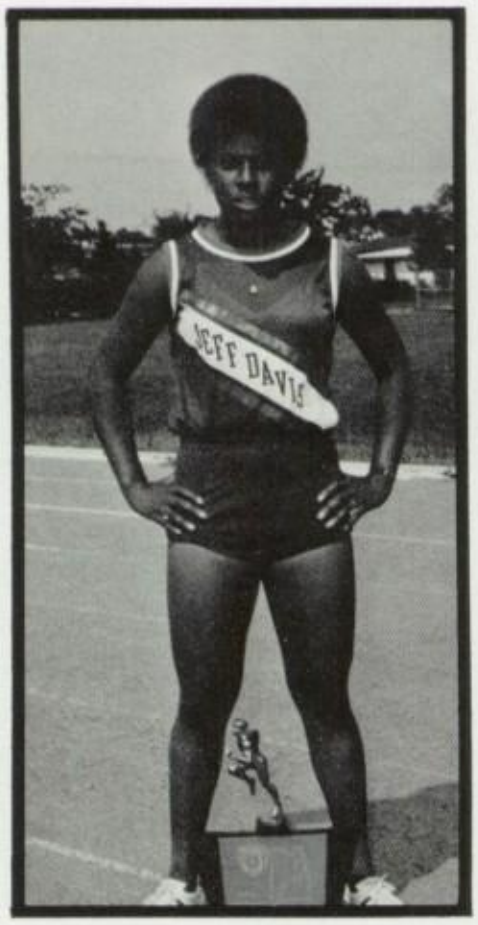
Back Row: Karlin Jones, Jeannie Russell, Mrs. Thomas, Rene Rochell, Evonne Paul, Alecia Hawthrone. Front Row: Janet Pair, Beth Bosco, Belinda Hatchett, Pam Smith, Angela Jackson.



Patricia Britton

Patricia Britton powered her way to win a gold medal as she set the new state record in the indoor shot put competition. The record is presently 38' 9⅛". By the end of the season, Patricia added two additional awards to her collection, a 1st place medal from the Tuscaloosa outdoor meet and a 2nd place medal.

The 1978 track team spent countless hours of preparation and sacrifice to meet the demands which this great sport demands. These goals may not have been reached without the faithful coaching and instructions of coaches Thomas, Wilson, and Rhodes.

Distance Runners: Karlin Jones, Janet Pair, Beth Bosco.

GOLF

The 1978 Jeff Davis golf team had an exceptional year. After a 10 and 2 regular season, they went on to win both the region and the state tournaments.

At the State, they set the record for the lowest team score ever recorded in the Alabama State Tournament.

The team consisted of seven boys and one girl. Their home course was Woodley Country Club.

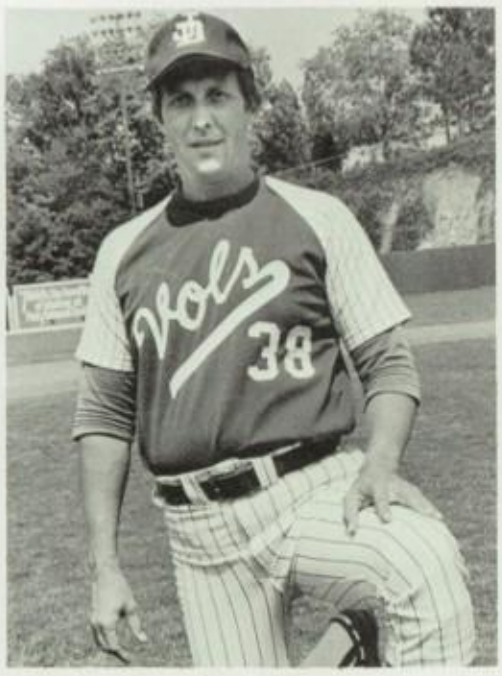
BASEBALL SWINGS IN THE SPRING



Coach Lee

In the spring the Vols swing their thoughts to baseball and rightly so for Jeff Davis usually has a good baseball team. The 1978 Baseball Team was no exception. Under the guidance of Coach Lee and Coach Addison, the team compiled an impressive 15-5 season record. They batted their way to City Champs and Region 4 Champs. Their trip to the state championship was haulted by Dothan in the semifinals. If this is an indication of the quality of our future teams, we can look forward to many state championships.

Beth Langford

A break in JD diamond tradition occured last year. To add a touch of beauty to the team, Beth Langford and Lori Culbreth were chosen to be batgirls. The girls' service was well appreciated and needed.

Here's your last chance to see the 1978 4A State Football Champs. We would like to recognize every player, coach, and manager who had a part in this memorable season. Through out the index section, the players, coaches, and managers will be shown in their individual groups, receiving awards that they duly deserve, and crowning Coach Billy Livings the king of them all. Thanks for bringing the Championship back home to Montgomery where it rightfully belongs.

The quarterbacks, defensive backs, the defensive secondary, and managers are shown on the next page. They all played a vital part in our championship title. Without one of these groups, our championship would have never come about. We appreciate your never-ending determination and constant hard work. You all had a job to do, and that job was well done.

This year, the Jeff Davis football team boasted one of it's finest and strongest defensive teams ever. Better known as the "Junkyard Dogs", they demolished every opposing team's offense. Coached by Charles Lee, they led the city in least yards passed or ran upon, and scoring defense. They also led in fewest points scored upon. The "Dogs" shut out four opponents on their way to the state championship.

The 1978 offensive team did not have the superstars of past years, but they all proved to be stars in their own way and team effort. Coached by Billy Livings, they led the city in total offense, both passing and running, and averaged 354 total yards a game. They led in scoring offense, averaging 37 points a game. Scott Villar led the city in passing with a 62 per cent completion rate. The Jeff Davis Express of the "Mean Green Machine" truly rolled at will.

"State Champs, 78
Jeff Davis, ain't we great!"

That's a matter of fact. We truly are the Champions. The players, and coaches on the next page made it possible for Jeff Davis to have a perfect 14-0 season, climaxed by winning the State Championship. The wide receivers, coached by Slade Rhodes, got into the act as did the offensive backs, defensive seniors, and the starting offense team. Who could forget that beautiful pass to Duck Williams in the end zone against Vestavia. A pass like that takes a lot of concentration from both ends. The offensive line just blew the Rebels right out of Legion Field, which allowed our backs to run wild. The defense, who kept the Rebels back in their territory (where they belonged), was very important in the win. The Vols proved that Birmingham was Vol Country and not Rebel Country.

January 3, 1979, will be a night well remembered by the Jeff Davis Football Team. The coaches, players, and cheerleaders were dinner guests at the Governor's Mansion with Governor George C. Wallace. The governor made all the players and coaches 'Aide-de-Camps' and told the players that he had followed their progress and was awfully proud of their state championship. Governor Wallace was very warm and friendly, and spoke to everyone who attended the dinner.

At the end of every football season, the football team holds it's annual football banquet. Trophies, awards, and gifts are presented to the players, coaches, and everyone who deserves one. Paul Humphries and Scott Villar were selected by their teammates to be the captains of the 1978 Volunteer Football Team. The football team presented Coach Livings a very unusual gift. They crowned him as the king of them all. A well deserved title.

Two JD players were selected to the "Birmingham News" All State Team. Senior James Brown at end and junior Fred Robinson at guard represented JD on this state team.

The "Advertiser-Journal" All State Team selected senior linemen Brett Blowers and Jeff Duckworth, and quarterback Scott Villar to their all state team. Coach Livings was named 4A Coach of the Year for leading his team to the 4A State Championship.

JD dominated the "Advertiser-Journal" 4A All-City Team with 13 of the 24 named to the team, and the coach of the year. Offensive players selected to the team were James Brown at end, Brett Blowers and junior Fred Robinson at guard, Jeff Duckworth and Mark Hodges at tackle, Scott Villar at quarterback, Farris Curry at back, and Malcolm Simmons as punter. Defensive players selected were Roy Gray at defensive end, Gabriel Thomas as linebacker, and Paul Humphries, Chip Humphries, and junior Stanley Curry, all defensive backs.

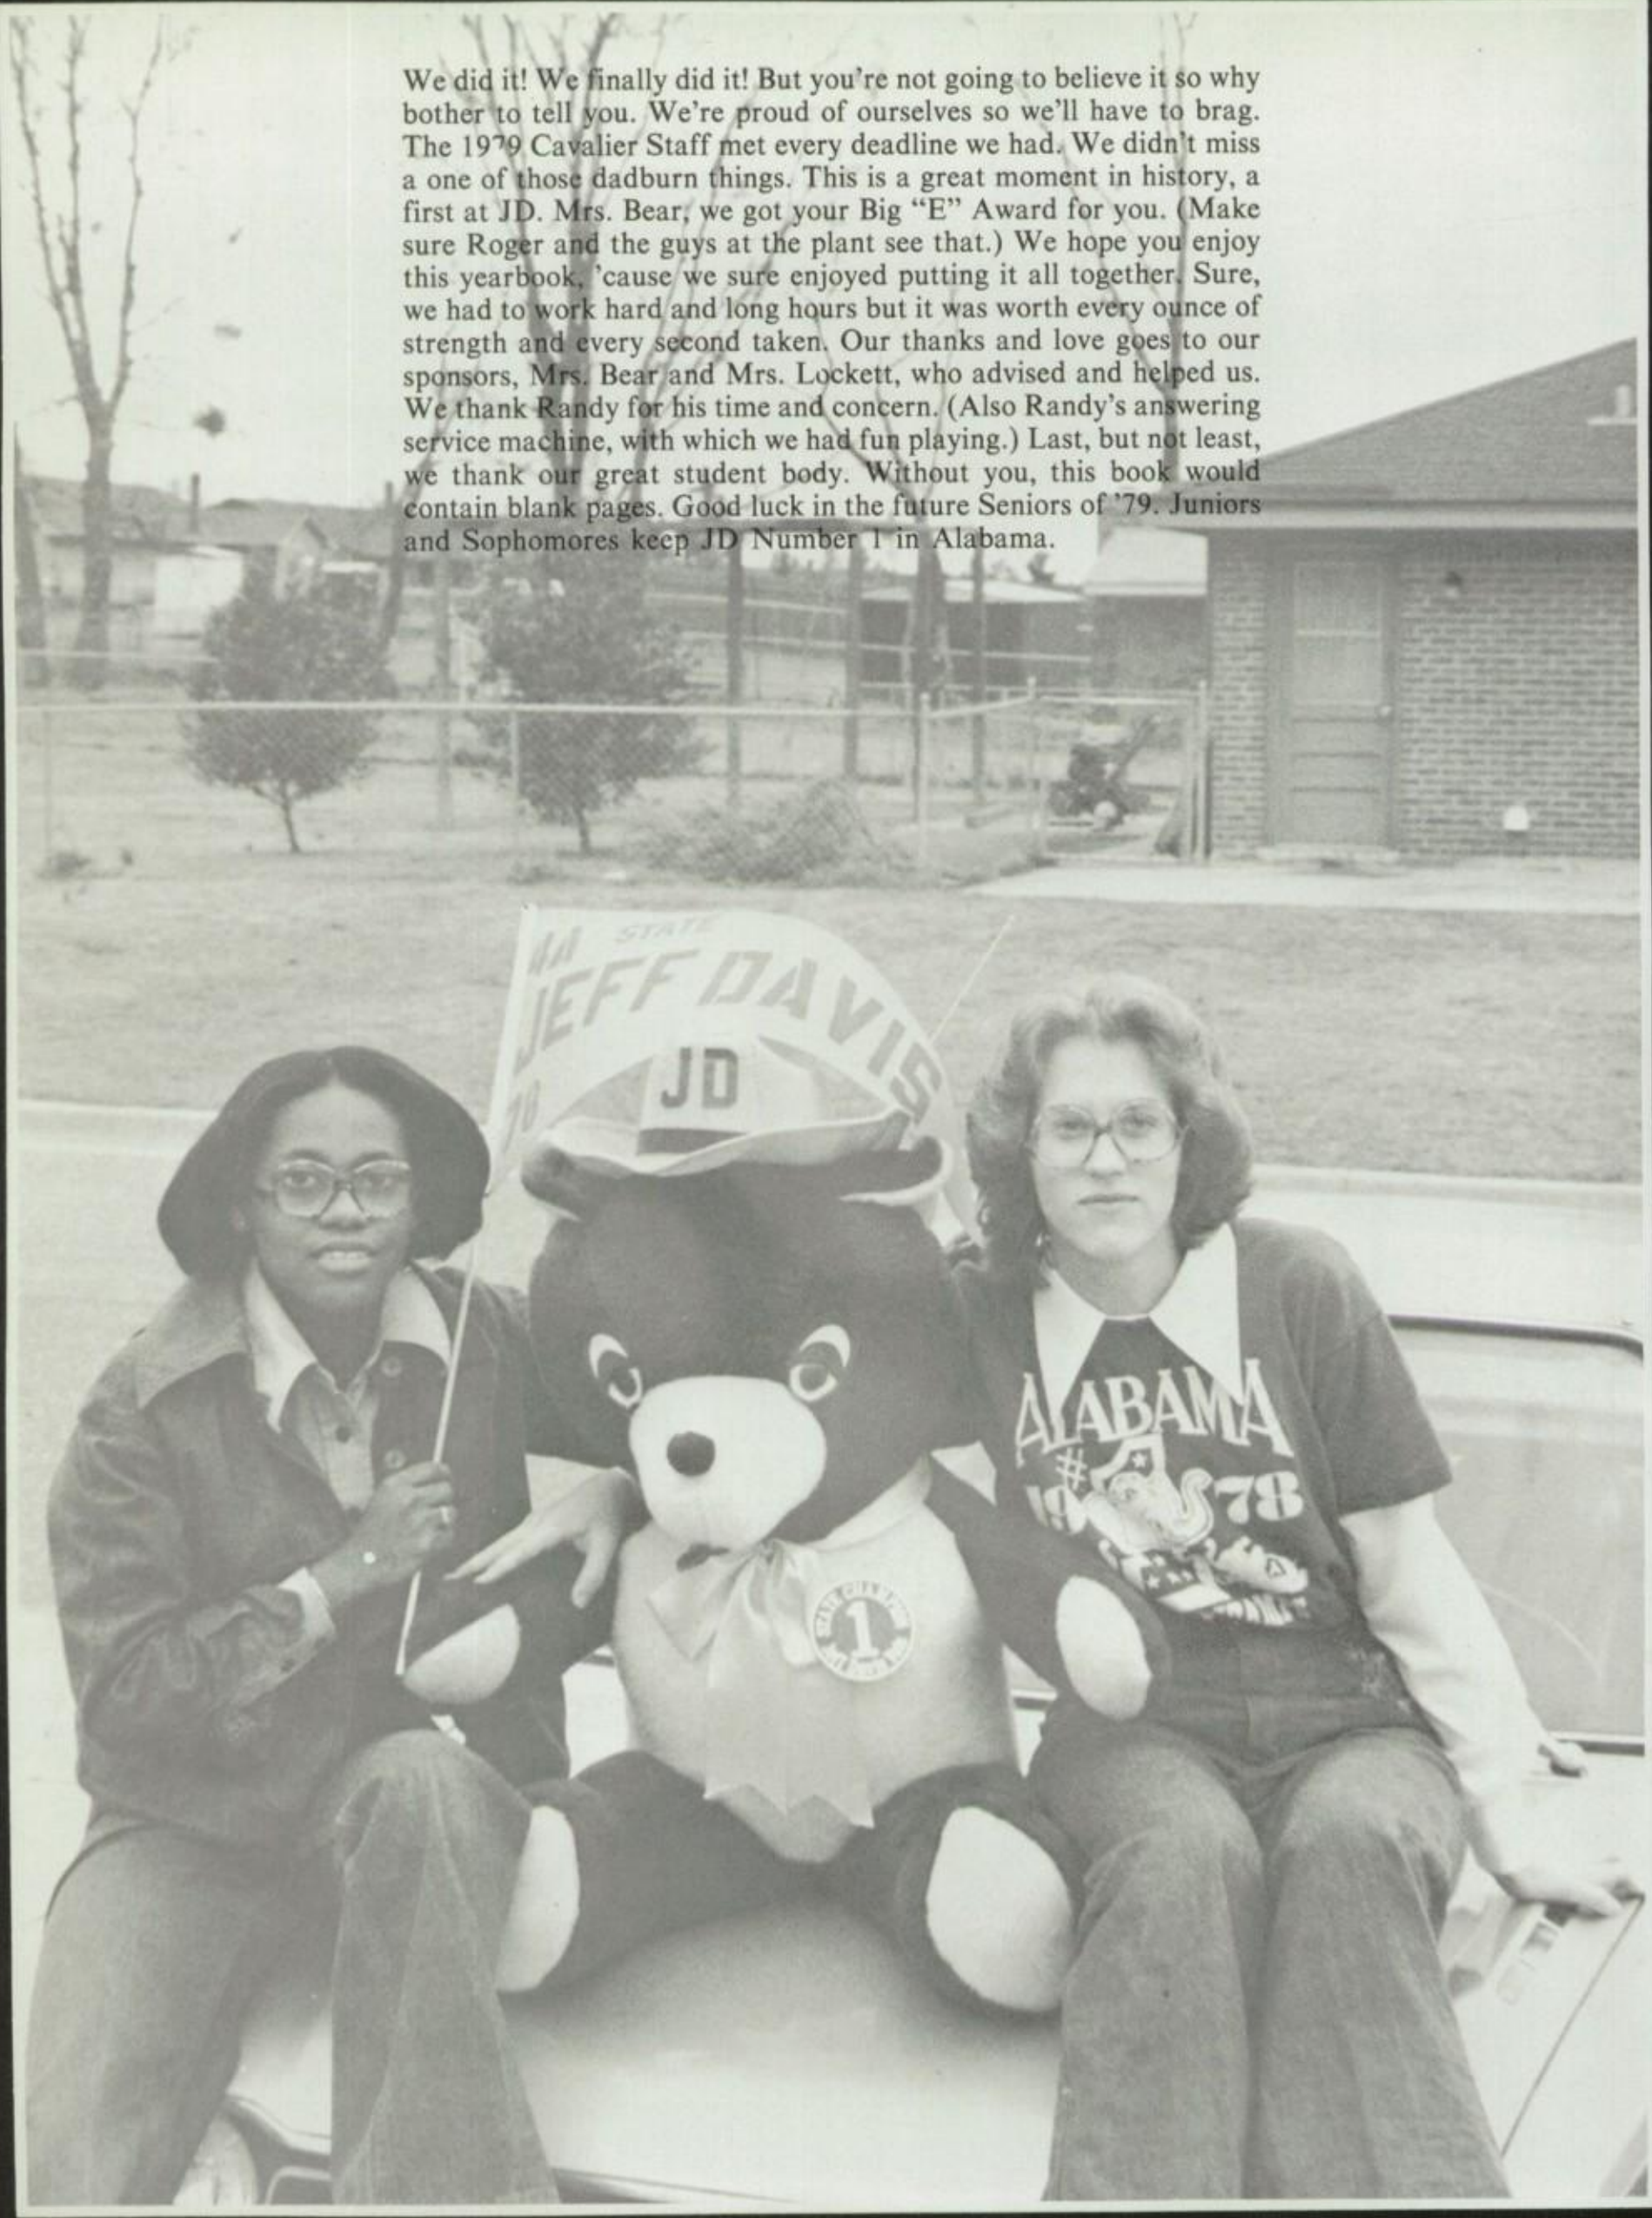
Farris Curry was selected by his fellow teammates to receive the Mike Bullington Award. This award is given annually to the player who has shown outstanding sportsmanship and dedication. It should also be noted that Farris maintained a A-B grade average while playing football this season. This award couldn't have gone to a nicer guy. Also, Farris was voted the "Advertiser-Journal's" offensive player of the year. Farris netted 740 yards rushing and 14 touchdowns for the season. Farris was also selected for his blocking ability.

Coach Wilson and his son know that JD is Number 1. No matter how many championships we win or lose, JD will always be number 1 in our hearts.

We did it! We finally did it! But you're not going to believe it so why bother to tell you. We're proud of ourselves so we'll have to brag. The 1979 Cavalier Staff met every deadline we had. We didn't miss a one of those dadburn things. This is a great moment in history, a first at JD. Mrs. Bear, we got your Big "E" Award for you. (Make sure Roger and the guys at the plant see that.) We hope you enjoy this yearbook, 'cause we sure enjoyed putting it all together. Sure, we had to work hard and long hours but it was worth every ounce of strength and every second taken. Our thanks and love goes to our sponsors, Mrs. Bear and Mrs. Lockett, who advised and helped us. We thank Randy for his time and concern. (Also Randy's answering service machine, with which we had fun playing.) Last, but not least, we thank our great student body. Without you, this book would contain blank pages. Good luck in the future Seniors of '79. Juniors and Sophomores keep JD Number 1 in Alabama.



Dawn,

"It's over, it's over, it's over"! I don't wanna go! It's been alot of fun knowing you, and I hope you'll remember me & all the crazy things like: old Hayward Allen (old brut-hole), all the long morning chats, the hours at PIZZA HUT (thanks again) and most important of all; picking on Lynette! It's been fun, I've really enjoyed it. Good Luck with Frankie, & I will try to come visit you sometime! Good luck always & Remember!!

I have really enjoyed having you in ~~3rd~~ 5th period class together cause I felt bad when you left computer math (I should have done the same). Youre really a nice person and I'm glad you found the kind of guy you wanted. I wish you the best of luck with him. I'm pretty jealous but you know what they say, "fools rush in where angels fear to tread". I hope you and Patty always stay friends cause both of you are fantastic by yourself and imagine what that means when your both together. I'm very happy that we became so good of friends this year I'm sure there'll be a after school event where we can get together. Florida is going to be so cool! All I'm going to do is work on my tan. Part of the beach is there life guard? I don't want for the last 2 months though we already got this far pretty fast. I cannot wait for the prom and hopefully my body can't take anymore which ever comes first! I hope you have a wonderful life Dawn I want you for always so sweet to me.
Love Always,
Darin K.

P.S.
Alright you can also have this honor I have only signed 2 people's yearbook twice in the whole universe. Hi Dawn
We have really had a great time at J. F. Kennedy Junior High and Curtis and Glen Allen Junior High and I hope Fulton Junior High will be just as much fun. Have a great summer and your future would be the right guy and get married Ramblin the ole A.F.

I will see you at the prom and hopefully my red hair won't clash with my yellow tux and my date will wear a dress that matches well cause its too late for me to change now. But if we don't match I don't want to hear one snicker out of you.
Love Again, Darin
